

TAP MAGIC[®] WITH EP-XTRA[®]

OZONE-FRIENDLY,
PROFESSIONAL
CUTTING FLUID
WITH EP-XTRA[®] FOR A
SYNERGISTIC BOOST
IN PERFORMANCE

- An ozone-friendly formula that gives you outstanding performance for all cuts on all metals – even the hard ones.
- The fluid to have when you don't know what cut or what metal tomorrow may bring.

Now In Aerosol!

Believe In Magic

Tap Magic with EP-XTRA[®] lets you enjoy superb precision and a beautiful micro-fine finish regardless of the cut or the metal. This special ozone-friendly formula contains no 1,1,1 trichloroethane. Available in 4-ounce and 16-ounce spout-top, 12-ounce aerosol, 1-gallon, 5-gallon, 30-gallon, and 55-gallon sizes.

SUPERIOR PERFORMANCE. OZONE-FRIENDLY.

Tap Magic® with EP-XTRA® is an ozone-friendly, professional-quality cutting fluid that delivers superior performance for any cutting operation on any metal. And it helps promote longer tool life.

EP-XTRA is a proprietary additive that, when used in conjunction with this cutting fluid, provides a synergistic boost in performance.

Tap Magic with EP-XTRA is an outstanding choice for any cut on any metal. It provides excellent performance on hard metals and is well-suited for cuts of extreme pressure or long duration.

OTHER FORMULAS

Tap Magic with EP-XTRA is joined by a number of other Tap Magic® Cutting Fluids, each carefully engineered for maximum effectiveness in specific applications.

- Tap Magic XTRA®-THICK is without equal for deep hole cuts and cuts of long duration on the hardest metals such as inconel, titanium and stainless.
- Tap Magic Aluminum is specifically formulated for work on aluminum.

- Tap Magic XTRA®-FOAMY is an extreme-performance cutting fluid with a foam consistency that provides high visibility. It is ideal for all cuts on all metals, even hard metals up to 45 RC.

- Tap Magic ProTap®, our original biodegradable formula, is an outstanding general purpose cutting fluid that's free of all regulated chemicals.

- Tap Magic Formula 1 Aqueous is totally biodegradable and has a non-corrosive water base. Highly effective for all cuts on all metals except magnesium.

- Tap Magic Formula 2 Eco-Oil is totally biodegradable and has a unique base of natural oil that resists smoking and fuming, even on cuts that produce a lot of heat. Highly effective on all cuts and all metals.
